Memo to File

SUBJECT: Discussion with Bush, 1 st Lt Bush

1. Phone call from Bush. Discussed options of how Bush can get out of coming to drill from now through November. I told him he could do ET for three months or transfer. Says he wants to transfer to Alabama to any unit he can get in to. Says that he is working on another campaign for his dad.
2. Physical. We talked about him getting his flight physical situation fixed before his date. Says he will do that in Alabama if he stays in a flight status. He has this campaign to do and other things that will follow and may not have the time. I advised him of our investment in him and his commitment. He's been working with staff to come up with options and identified a unit that may accept him. I told him I had to have written acceptance before he would be transferred, but think he's also talking to someone upstairs.
