

# PRESS RELEASE

The KATV family is having to deal with a personal crisis in our lives with the senseless brutality last night to one of our Daybreak Anchors, Anne Pressly.

Everyone who knows Anne realizes she is a person who simply lights up the room, by just walking in. I had the pleasure of being with her last evening at a surprise birthday party and had the opportunity to tell her what a God given talent she has. Anne had recently had a small part in Oliver Stone's movie "W", which was released over the weekend.

I know her viewers will join with her family as well as the KATV family in praying for a speedy recovery for Anne who means so much to all of our staff.
