

## FOX News Election Day Voter Poll -- Connecticut Senate Race

How to read these horizontal tables:

The percentages in the first column, labeled "Total," show the proportion of the electorate that is in each subgroup—these columns are always read down vertically. The percentages in all remaining columns are read across horizontally (those to the right of the total column). These percentages show how the particular subgroup of voters divided their vote among the candidates.

	<u>Total</u>	<u>Lamont</u>	<u>Schlesinger</u>	<u>Lieberman</u>
<b>Are you currently married?</b>				
Yes	68%	40%	8%	49%
