Dear Mr. M. Mohammadi,

*Top Urgent !!!*

We thank you very much for your above fax .

Further to our fax Ref 07-0110-1 DD 10.01.2007 , for your attention , referring to attached two pages , kindly note that The Department of the Treasury designated Bank Sepah , Iran and all offices worldwide and BANK SEPAH INTERNATIONAL PLC LONDON

As you know , the L/C for our shipment was issued by Bank Sepah and reimbursing bank is BANK SEPAH INTERNATIONAL PLC LONDON , so we are worrying the payment may be blocked by USA or UK government through their Bank / Treasury system , you are kindly required to consider the matter and check carefully and seriously with Bank Sepah if the payment can be effected safely under current situation , you should be responsible for the payment should finally be received by us safely .

Thanks for your kind understanding and cooperation and waiting for your earliest action for checking the matter and effecting the payment safely .

Best Regards,

  
KARL LEE  
Commercial Manager
